

## A Day at Home

What would I give for a quiet day at home?  
What would I give for a day I could call my own?  
A day of simple solitude and rest,  
Without students, or noise, or a test.  
What would I give for day of my very own,  
A day all alone at home?

What would I give for a day away from school?  
What would I give for a day without any rules?  
A day of catching soaps on the T.V.,  
Watching movies, a day just for me.  
What would I give for a day of my very own,  
A day all alone, a day of my own,  
A day of my very own at home.  
There's no place like home.
