

## Funky Chicken Strut

### Verse 1

All you chickens, gather 'round.  
Groovin' to the funky sound.  
Come and watch us, ev'ryone.  
This is how the dance is done.

### Verse 2

Make your head go to and fro.  
Ready now, 'cause here we go.  
Spread your chicken wings out wide.  
Flap them now from side to side.

### Verse 3

Now let's rock those chicken legs.  
Lift 'em high, that's what we said.  
Time to lift them off the ground.  
All you chickens, strut around!

### Chorus

Doin' the funky chicken, doin' the funky chicken strut.  
Doin' the funky chicken, doin' the funky chicken strut.  
No, no no, no way! We won't be your dinner today.  
You won't fry us in a pan; Try to catch us if you can!  
Doin' the funky chicken, doin' the funky chicken strut.  
Doin' the funky chicken, doin' the funky chicken strut.  
The funky chicken strut, the funky chicken strut.
