

## Gourmet Goat Cheese Pizza

### Chorus

We're all making pizza pie, pizza pie, pizza pie.  
Making gourmet pizza pie, pizza's what we say.  
They're all making pizza pie, pizza pie, pizza pie.  
Making gourmet pizza pie, pizza pie today!

### Verse 1

Roll the dough, roll it nice and round.  
Toss it in the air, don't drop it on the ground.  
Stretch the dough, stretch it nice and wide.  
Put it in the pan and pat from side to side.

### Chorus

### Verse 2

Add the sauce, pour it in the pan.  
Better make it fresh; no, nothin from a can.  
Finest cheese stands up to the test,  
For gourmet pizza, goat cheese is the best!

### Chorus 2

Put the pizza in to bake, in to bake, in to bake.  
Put the pizza in to bake and when the baking's done,  
Take it out and lick your lips, dance around, shake your hips,  
Mama mia, come and see our pizza, ev'ryone.  
Come and see our gourmet pizza pie for ev'ryone!  
Pizza, ev'ryone! Yum!
