

Parents,

The Level 3 open house is fast approaching and the students are preparing a musical performance to share with you that evening. The date for the open house is Tuesday, March 22nd. As a way to ensure students are fully prepared for their performance, I am making a CD of the show songs available for your student to use at home for practice. Please fill out the bottom portion of this form and return it to school as soon as possible. I will start sending CD's home Friday, February 12th. Also, lyrics for the songs are available to view or download on our classroom website. Please feel free to contact me with any questions. Thank you!
