

## Put on a Happy Face

Gray skies are gonna clear up,  
Put on a happy face;  
Brush off the clouds and cheer up,  
Put on a happy face.  
Take off the gloomy mask of tragedy,  
It's not your style;  
You'll look so good that you'll be glad  
Ya' decide to smile!  
Pick out a pleasant outlook,  
Stick out that noble chin;  
Wipe off that "full of doubt" look,  
Slap on a happy grin!  
And spread sunshine all over the place,  
Just put on a happy face!

Put on a happy face  
Put on a happy face

Take off the gloomy mask of tragedy,  
It's not your style;  
You'll look so good that you'll be glad  
Ya' decide to smile!  
Pick out a pleasant outlook,  
Stick out that noble chin;  
Wipe off that "full of doubt" look,  
Slap on a happy grin!  
And spread sunshine all over the place,  
Just put on a happy  
Put on a happy  
Put on a happy face!

Put on a happy face. YEAH!

## Brave

You can be amazing  
You can turn a phrase into a weapon or a drug  
You can be the outcast  
Or be the backlash of somebody's lack of love  
Or you can start speaking up  
Nothing's gonna hurt you the way that words do  
And they settle 'neath your skin  
Kept on the inside and no sunlight  
Sometimes a shadow wins  
But I wonder what would happen if you  
Say what you wanna say  
And let the words fall out  
Honestly I wanna see you be brave  
With what you want to say  
And let the words fall out  
Honestly I wanna see you be brave  
just wanna see you  
I just wanna see you  
I just wanna see you  
I wanna see you be brave  
just wanna see you  
I just wanna see you  
I just wanna see you  
I wanna see you be brave  
Everybody's been there, everybody's been stared down  
By the enemy  
Fallen for the fear and done some disappearing  
Bow down to the mighty  
Don't run, stop holding your tongue  
Maybe there's a way out of the cage where you live  
Maybe one of these days you can let the light in  
Show me how big your brave is  
Say what you wanna say  
And let the words fall out  
Honestly I wanna see you be brave  
With what you want to say  
And let the words fall out  
Honestly I wanna see you be brave  
just wanna see you  
I just wanna see you  
I just wanna see you  
I wanna see you be brave  
just wanna see you  
I just wanna see you  
I just wanna see you  
See you be brave

“When I close my eyes”  
By: Jim Papoulis

When I close my eyes then I can see,  
When I close my eyes I'm alive.  
When I close my eyes then I can see,  
And I am not afraid.

When I try to see the reasons why  
If I ever could understand  
I would find the hope to let me try  
And I am not afraid  
Take me to the river  
Take me to the sea  
Climb the highest mountain  
And go there with me  
*(When I)* close my eyes then I can see  
And I am not afraid

Now I am learning the magic within me  
And that is the reason I'm standing so tall.  
Deep in my heart is a voice that  
Is speaking, if I keep believing  
Then I will not fall  
Take me to the river, take me to the sea  
Climb the highest mountain and go there with me.

Take me where the wind blows  
Take me to the sun  
Take me to a river that flows to the sea  
When I try to see the reasons why  
If I ever could understand  
I will find the hope to let me try  
And I am not afraid  
And I am not afraid
