

Hitsville USA

Got in on a Monday
Two dollars in my pocket.
Gotta make it big time.
Take off like a rocket
In the city built on dreams.

Hitsville USA.
Detroit, Motor City,
Lots of attitude up in Hitsville USA.
Where the Motown sound is cookin'
And the stars'll be a bookin' tonight.

Fingers are a poppin'.
Strings a wailin' high.
Vibes are cool and callin'.
Man, I think I'm fallin'
For this city built on dreams.

Hitsville USA.
Detroit, Motor City,
Lots of attitude up in Hitsville USA.
Where the Motown sound is cookin'
And the stars'll be a bookin' tonight.

Hitsville, up in hitsville.
Hitsville, up in hitsville.
Hitsville, up in hitsville.
Hitsville, up in hitsville.

Hitsville USA.
Detroit, Motor City,
Lots of attitude up in Hitsville USA.
Where the Motown sound is cookin'
And the stars'll be a bookin'
Up in Hitsville USA.
Detroit, Motor City,
Lots of attitude up in Hitsville USA.
Where the Motown sound is cookin'
And the stars'll be a bookin' tonight.
Tonight!
