

## We're on the Same Track

### **Verse 1 (Teachers only)**

We're not so different, you and me.  
Maybe even some-times we agree.  
We'll see eye to eye eventually.  
We're on the same track!

We won't be breakin' any rule.  
Just a little time off from the school.  
We think that a snow day would really be cool.  
We're on the same track!

### **Verse 2 (Students only)**

Look at you and me.  
Maybe we agree.  
Yes, eventually.  
We're on the same track!

Won't break any rule.  
Time off from the school.  
That would really be cool.  
We're on the same track!

### **SING VERSE 1 AND 2 AT THE SAME TIME**

### **Ending**

We're on the same, we're on the same,  
We're on the very same track.  
We want snow, and we're on the same track.  
We're on the same track!
